

WORLD OF CONCRETE 2011, JANUARY 18-21; SEMINARS 17-21, WELCOMES VISITORS FROM AROUND THE WORLD! At World of Concrete, find all the products, resources and valuable information necessary to strengthen your business. This is the commercial construction industry's first, largest and most important annual international event for concrete and masonry professionals across the globe!

EXHIBITS:

Original equipment manufacturers from around the world and exclusive U.S. distributors of equipment, tools, products and services for the commercial construction, concrete and masonry industries. WOC attracts approximately 1,500 exhibiting Companies and occupies more than a half million square feet of indoor and outdoor exhibit space.

World of Concrete is proud to have been selected to participate in the 2011 International Buyer Program (IBP). As a member of the 2011 IBP, World of Concrete Show Management and the U.S. Commercial Service will work closely in the global promotion of the 2011 show to bring international buyers and exhibitors together to expand business both domestically and overseas.
