

FOR IMMEDIATE RELEASE

**AMERICAN SHOTCRETE ASSOCIATION ANNOUNCES THE OPENING OF THE
2009-2010 GRADUATE SCHOLARSHIP PROGRAM**

Two \$3000 (USD) awards available thru ASA to eligible applicants for the 2009-2010 academic year.

FARMINGTON HILLS, Mich. (April 29, 2009) – The American Shotcrete Association (ASA) is now accepting applications for Graduate Scholarships for the 2009-2010 academic year. The purpose of the ASA Graduate Scholarship Program is to attract, identify, and assist outstanding graduate students pursuing careers in the field of concrete with a significant interest in the shotcrete process.

One scholarship will be awarded to a graduate student attending an accredited college or university within the United States and a second scholarship will be awarded to a graduate student attending Laval University in Canada.

Based on essays, submitted data, and references, the ASA Scholarship Committee will select scholarship recipients who appear to have the strongest combination of interest and potential for professional success in the shotcrete industry.

Applications and all required documents must be received by 5:00 p.m. EST on September 1, 2009.

All application information and requirements can be found at:
www.shotcrete.org/ASAscholarships.htm

ASA is a non-profit organization of contractors, suppliers, manufacturers, designers, engineers, owners, and others with a common interest in promoting and educating the concrete industry on the versatility, quality and economic advantages of the use of shotcrete. For more information about ASA, visit www.shotcrete.org.
