## 2011 Most Innovative Products Winners Announced

**Washington, D.C. Feb.15, 2011**— The votes are in, and winners selected for the 2011 Most Innovative Products (MIP) Award program.

Held annually at World of Concrete, the MIP Award Program showcases many of the new products exhibited. The MIP Program allows attendees and readers of CONCRETE CONSTRUCTION, MASONRY CONSTRUCTION, THE CONCRETE PRODUCER, and CONCRETE CONSTRUCTION PRODUCTS a chance to vote for the products they judge as innovative. A panel of industry experts many of whom serve on the World of Concrete Educational Advisory Board reviewed and selected MIP award winners. And the editors of CONCRETE CONSTRUCTION, MASONRY CONSTRUCTION and THE CONCRETE PRODUCER review and select the products in terms of the innovation they bring to the industry.

This year's products were grouped into 9 categories. Information about each entry is available online at [www.mip2011.com](http://www.mip2011.com).
