

World of Concrete 2019
6191 N. State Highway 161, Suite 500
Irving, Texas 75038, United States
Phone: 972-536-6370
Email: info@worldofconcrete.com

Dear Prospective Meeting Participant:

It is a pleasure to invite you to join us for the World of Concrete 2019 taking place January 22-25; Seminars: 21-25, at the Las Vegas Convention Center, Las Vegas, Nevada, USA.

It is important to note that a visa may be required for the purpose of visiting the United States. Advance travel planning and early visa application are critical to allow for lengthy processing times. For more information on how to apply for your visa and the time required for visa process, please contact the Consular Section of the Embassy or Consulate nearest you. A list of consular offices is online at: <http://www.usembassy.gov/>

World of Concrete is proud to have been selected to participate in the 2019 [International Buyer Program \(IBP\)](#). As a member of the 2019 International Buyer Program, World of Concrete Show Management and the U.S. Commercial Service will work closely to promote the 2019 show around the world to bring international buyers and U.S. exhibitors together to expand business both domestically and overseas. If you would like to join a delegation, please [click here](#) to view list of current delegation leaders.

We appreciate your interest in attending World of Concrete, the largest annual international commercial construction trade show featuring more than a half million square feet of leading concrete and masonry industry products and services. We want your stay in the U.S. and your time at the show to be both comfortable and productive.

Make your hotel and travel arrangements now with World of Concrete Housing here:
<https://www.worldofconcrete.com/en/hotel-travel.html>

We look forward to seeing you in Las Vegas!

Sincerely,

A handwritten signature in black ink that reads "Jackie James". The signature is fluid and cursive, with the first name "Jackie" and last name "James" clearly visible.

Jackie James, Group Director
