

LEARNING AND DOING GO HAND-IN-HAND

EXHIBITS: June 8-10 • EDUCATION: June 7-10
LAS VEGAS CONVENTION CENTER

How to Navigate World of Concrete Education Webpages

Go to www.worldofconcrete.com.

Click on the **Education** tab at top of page – this is the overview page which includes dates/times, pricing and important resources.

- Browse the gold text boxes with links along the right-hand side of the Education home page:
- Download and print the [Education Program-at-a-Glance](#) to see all educational offerings in a calendar format
- [Session Descriptions & Details](#)
 - Use “Keyword Search” for specific topics i.e. polish, repair, overlay, pavement, etc.
 - Click on **ALL SESSIONS** tile to see comprehensive list of all education offerings
 - Click on titles to see detailed descriptions
 - Narrow search by selecting day/date tab
- [Super Pass Packages and MASTER CERTIFICATES](#)
 - *If interested in taking 4 or more seminars, check out Super Pass Packages for maximum savings – (includes complimentary Exhibits Only pass - \$105 value)*
- [Certifications & Exams](#) – eight industry certifications on behalf of ACI, ACPA, and TCA
- [Industry Training](#) – courses, certifications, workshops, and open forums presented by industry associations, exhibitors, and media organizations
- [Continuing Education Approvals](#) – information about Certificates of Attendance

Please contact World of Concrete Education Staff at seminars@worldofconcrete.com for education program questions.

Contact information for certifications and industry training course inquiries included within descriptions.

During the registration process, call World of Concrete registration customer service at 866-860-1983 if you experience any issues or need assistance with editing a registration record. You can also email questions to registration@worldofconcrete.com
