While branding, visibility and awareness are core benefits of exhibiting, the real payoff will come from getting face-to-face contact with enough of the right people during the show.

**CRITICAL SUCCESS FACTOR #2: IDENTIFY & ATTRACT YOUR IDEAL VISITORS**

When it comes to tradeshows, it’s important to understand two things: 1. you have a limited amount of capacity for face-to-face interaction, 2. not everybody attending World of Concrete are the right people for you.

The principle of **Selective Attraction** is one of the most important things you need to address to execute an effective exhibit. You do not want to just rent space, show up and hope the right people find you. Here are three important questions you and your team need to give thoughtful answers to and act on:

1. **Who are the right people for you?**
   - Relationship with company? Customers/Prospects in Sales Funnel/New Contacts/Other?
     __________________________
   - Types of companies? ____________________________________________________________
   - Job functions and titles? __________________________ _________________________________
   - Geography? ____________________________________________________________________
   - Other? ________________________________________________________________________

2. **How much is enough?** Calculate your **Exhibit Interaction Capacity** using the formula below:

   - Number of exhibiting hours: 22.5
   - (x) Average number of booth staff on duty: x *2 _______
     - Rule of thumb: 50 sq. feet per staffer
   - (x) Target number of interactions per hour/per staffer: x *3 _______
     - 3 conservative/ 4 moderate / 5 aggressive
   - (=) **Your Exhibit Interaction Capacity:** 135 _______

3. **What specifically are you going to do between now and show time to make sure your company is “in their mind” and “on their agenda”**?
   - What list sources will you use? Consider internal and external sources.
   - What is your message or reason why they should visit you?
   - What will they SEE – DO – LEARN – GET by visiting your booth?
   - What media will you use and when?
     - Pre- and At-Show: Email, Social Media, Direct Mail, Phone Calls, Print Ads, Web Ads, Public Relations, Banners/Signs
     - In-Booth: Literature, Giveaways
4. Create a marketing calendar to help you manage your marketing program.

Example:

<table>
<thead>
<tr>
<th>Media</th>
<th>Subject/Message</th>
<th>Product/Service</th>
<th>Send Date</th>
<th>Cost</th>
</tr>
</thead>
<tbody>
<tr>
<td>Email 1</td>
<td>Learn how to solve...</td>
<td>Product 1</td>
<td>8 weeks prior-1/1/XX</td>
<td>$</td>
</tr>
<tr>
<td>Postcard</td>
<td>Free sample of our new...</td>
<td>Product 1</td>
<td>6 weeks prior-1/15/XX</td>
<td></td>
</tr>
<tr>
<td>Email 2</td>
<td>See our new widget in action...</td>
<td>Product 2</td>
<td>4 weeks prior-2/1/XX</td>
<td></td>
</tr>
<tr>
<td>Facebook</td>
<td>Operate our new widget...</td>
<td>Product 2</td>
<td>4 weeks prior-2/1/XX</td>
<td></td>
</tr>
</tbody>
</table>
