ABOUT THE PROGRAM

Recognizing the most innovative equipment materials, tools and services in the marketplace.

World of Concrete® (WOC) is excited to present the **2026 Innovative Product Awards**. This awards program allows manufacturers and service providers to showcase their most advanced solutions available today in the concrete and masonry industries.

PROGRAM COVERAGE

- **Voting promoted via pre-show planner, pre-show and post show e-blasts, mobile app, social media and on-site show signage.**

AWARDS DETAILS

There will be two award categories:

- **Industry Choice:** One winner selected per category based on the popular vote.
- **Experts' Choice:** One winner will be selected by a panel of World of Concrete experts.

The public will vote in each category on products and services that are entered into the program, including WOC attendees and our concrete and masonry audience database through digital promotions.

Winners will receive a high-res IPA logo and icon to use online/social, along with a digital certificate (to post online or print), official press release for marketing efforts.

*** IPA is only open to WOC 2026 Exhibitors**

PARTICIPANT BENEFITS

- **Exposure on voting platform.**
- **IPA icon added to your online booth profile visible on exhibitor directory and WOC mobile app.**
- **Direct link to the IPA voting platform to promote to your customers**
- **Company name and booth number in list of participating exhibitors on exhibitor directory on World of Concrete website and the WOC Mobile App.**
